

## Year 1 Homework - Autumn Term - Families

<u>Research/ICT</u>	<u>Creative</u>	<u>Literacy</u>	<u>Maths/Science</u>
<p>Ask a grown up to help access</p> <p><a href="http://www.primarygames.com/arcade/dressup/babyhazel/earthday/">http://www.primarygames.com/arcade/dressup/babyhazel/earthday/</a></p> <p>Have fun playing the game and finding out about ways to look after our world.</p>	<p>Create a collage of your family. You can use photographs or draw or paint pictures then cut and stick them in an interesting way to make a collage.</p>	<p>Find out about the members of your family. Ask them all about their favourites eg</p> <p>What is their favourite food?            What is their favourite colour?            What is their favourite way to spend time?            What is their favourite animal?</p>	<p>Maths challenge: How many ways can you arrange 3 eggs in a six section egg box? Take or draw pictures of each different way.</p>
<p>Ask an adult to help you find out about your family tree. Do you know about your grandparents? Your aunts and uncles? Perhaps you could draw a family tree and write names in it?</p>	<p>Draw a portrait of one of the people in your family. Ask them to sit still while you look at them and draw what you see.</p> 	<p>Make a card for someone in your family that you would like to thank. Decorate the front then write a thank you message inside. Give them the card and see them smile.</p> 	<p>Ask your parents if you can have a look at their recycling. Sort the rubbish into plastic/ paper card/ bottles. Which materials do you have most of? Have a go at representing your findings in a bar chart.</p>
<p>With a grown up, use the computer to play My First Day at School</p> <p><a href="https://www.bbc.co.uk/bitesize/articles/znc9vk7">https://www.bbc.co.uk/bitesize/articles/znc9vk7</a></p>	<p>Use junk materials to make a model of a house. Can you make windows and doors? Use it to play with.</p>	<p>Draw a picture of your favourite story book. Write a book review about it. What is it that you like about the book?</p> 	<p>We have been learning about different materials. Investigate the best type of material to make a boat. Use some junk to make your boats then test them in water.</p>
